

Download Cause And Effect 5th Grade Lesson

Expository texts are a key component of literacy but often do not get introduced to students until the later grades. This lesson helps third- through fifth-grade students explore the nature and structure of expository texts that focus on cause and effect. Students begin by activating prior knowledge ...Help your child master cause and effect relationships with this hands-on card game! Perfect for practicing creative thinking, this group activity allows kids to practice putting together real-world cause and effect situations, and amps up the fun by making it a competitive game. Cause and effect can be a tricky concept to teach, but these fun cause and effect lesson plans will help your kids catch on quickly! An excerpt from Alice in Wonderland is a great tool to help students understand cause and effect. Not only will they enjoy reading, but when you print out this activity they will also identify the cause and effect.
