

Download Fault Diagnosis Guide For Steering System

Jamie Porter's 147/156/GT Fault Diagnosis Guide. Diagnostic guide to what might be wrong with your Alfa 147, 156 or GT. This is NOT an exhaustive list of problems and is for guidance only. The service steering column lock message may be displayed, the engine may start and stall when put into gear. Our technicians tell us that this fault is related to the anti-theft system and the steering column lock system must be repaired as necessary.
