The Fiat Qubo is an eco-friendly model with low CO2 emissions. Browse here to get more information, request a brochure or book a test drive. What is it with Fiat that they don't supply service / workshop manuals. Are they scared that the average Jim & Joe will find out they don't do a good job or is it simply about raking in the cash - or is it both perhaps? Find here all the Fiat services dedicated to our customers and their cars - from spare parts, original accessories to personalised promotions & more. Actually, there's nothing wrong with the oil being between the min/max mark. Also, I'm looking in my own twinair owners manual now and it states word for word:
