Page 3 Thank you for purchasing a Honda generator. This manual describes Generator: EB6500 All information in this publication is based on the latest product information available at the time of printing. This Honda EB6500 iAVR Series Portable Generator features iAVR technology to provide power beyond the maximum 6,500 Watt rating for up to 10 seconds to start larger equipment. Page 1 HONDA EU7000IS GENERATOR If so equipped a Honda EU7000is gasoline generator will be located on the hitch. Since generators must constantly adjust for varying amp drains, it is considered normal for the RPM levels of the generator to fluctuate and the frequency level to jump when handling large loads.
