Using the materials provided, two teams must work together to build a bridge, with each sub-team constructing half the bridge each. During the challenge, teams cannot see each other and must rely on their communication skills to build an identical design. All PLTW pathways align to Common Core State Standards for Mathematics and English Language Arts and Next Generation Science Standards. Additionally, our computer science pathway aligns to Computer Science Teachers Association Standards; our engineering pathway aligns to International Technology and Engineering Educators Association Standards for Technological Literacy; and our biomedical ... “An Occurrence at Owl Creek Bridge” is by far Bierce’s most widely read story, and it may also be his best. It focuses on Peyton Farquhar, a Southern planter and part-time Confederate ...
