

# Download Mott Flail Mower Parts Manual

Forum rules Notice: For sale and wanted posts are not allowed in this forum. Please use our free classifieds or one of our site sponsors for your tractor and parts needs. My first post... I'm about to get a Kubota B3200 (PTO = 23hp) and want to choose the right flail mower. My mowing needs are about 3 acres with some sloping and dipping terrain, grass and weeds, sometimes clearing some brush in odd places but probably not more than 1" dia. Toughest flail mower I've used is a Maschio. It's available with either a split knife or a longer cast hammer knife. Both work extremely well on rock-free reasonably flat ground mowing grass, scrub, and small trees. Flail-Master® (a registered service mark of National Parts Corporation) has manufactured high quality Flail Mower parts for more than 40 years.
