This shop manual may contain attachments and optional equipment that are not available in your area. Please consult your local distributor for those items you may require. Materials and specifications are subject to change without notice. After a new name change in 1956 to VEB Motorradwerk Zschopau (MZ), the company starts manufacturing in 1962 the ES 125/ES 150, one of the most popular motorcycles in Germany. The time passed by and the company became more and more interested in manufacturing motorcycles so, in 1989, MZ stops manufacturing sidecars. THE online source for free manuals.
