

# Download Nissan 350z Manual Transmission Fluid

The average cost for a Nissan 350Z manual transmission fluid change is between \$67 and \$117. Labor costs are estimated between \$35 and \$45 while parts are priced between \$32 and \$72. Estimate does not include taxes and fees. The engine in your 2008 Nissan 350Z should be running when you perform a transmission fluid level check, otherwise it will be inaccurate. The video above shows where the transmission fluid dipstick is located in your 350Z and how to check the transmission fluid level. Recently, I have been doing some reading (I cant call it research ) on the viability of using fully synthetic gearbox oil in the Zs 6-Speed Manual Transmission. There are some wild-assed statements on the US forums (as usual) about you must use this and dont use that etc. The standard OEM gearbox...
