

# Download Seeing The Bigger Picture Competency Example

Seeing the bigger picture is an essential leadership quality. Learn a lesson from one of the great leadership stories and become a 'cathedral thinker'. However, I am having difficulty figuring out examples for 'seeing the bigger picture' & 'making effective decisions'. I require some examples that reflect these competencies, as I am finding it difficult to reflect such examples by just looking at the framework. Seeing the big picture An example of how I calculated redemption figures for my job, working in a team to achieve this, average turn around times, finding the right info, giving to correct team member to check, solicitors or customers receiving necessary info to redeem their mortgage. There will be a list of key competencies with titles such as Seeing the Big Picture, Making Effective Decisions, Building Capability for All, Collaborating and Partnering, Delivering at Pace ...
